

Wereham Parish Council IT Policy

Adopted January 2026

Next Review January 2027 (Annually)

1. Introduction

Wereham parish council recognises the importance of effective and secure information technology (IT) and email usage in supporting its business, operations, and communications.

This policy outlines the guidelines and responsibilities for the appropriate use of IT resources and email by council members, employees, volunteers, and contractors.

2. Scope

This policy applies to all individuals who use Wereham parish council's IT resources, including computers, networks, software, devices, data, and email accounts.

3. Acceptable use of IT resources and email

Wereham parish council IT resources and email accounts are to be used for official council-related activities and tasks. Limited personal use is permitted, provided it does not interfere with work responsibilities or violate any part of this policy. All users must adhere to ethical standards, respect copyright and intellectual property rights, and avoid accessing inappropriate or offensive content.

4. Device and software usage

Where possible, authorised devices, software, and applications will be provided by Wereham parish council for work-related tasks.

Unauthorised installation of software on authorised devices, including personal software, is strictly prohibited due to security concerns.

5. Data management and security

All sensitive and confidential Wereham parish council data should be stored and transmitted securely using approved methods. Regular data backups should be

performed to prevent data loss, and secure data destruction methods should be used when necessary.

6. Network and internet usage

Wereham parish council's network and internet connections should be used responsibly and efficiently for official purposes. Downloading and sharing copyrighted material without proper authorisation is prohibited.

7. Email communication

Email accounts provided by Wereham parish council are for official communication only. Emails should be professional and respectful in tone. Confidential or sensitive information must not be sent via email unless it is encrypted.

All communications between Councillors should be limited to meetings as much as possible.

Be cautious with attachments and links to avoid phishing and malware. Verify the source before opening any attachments or clicking on links.

8. Password and account security

Wereham parish council users are responsible for maintaining the security of their accounts and passwords. Passwords should be strong and not shared with others. Regular password changes are encouraged to enhance security.

9. Mobile devices and remote Work

Mobile devices provided by Wereham parish council should be secured with passcodes and/or biometric authentication. When working remotely, users should follow the same security practices as if they were in the office.

10. Retention and archiving

Emails should be retained and archived in accordance with legal and regulatory requirements. Regularly review and delete unnecessary emails to maintain an

organised inbox. Those Councillors who cease to be in role must delete their accounts on the day of resignation or standing down.

11. Reporting security incidents

All suspected security breaches or incidents should be reported immediately to the designated IT point of contact (Parish Clerk & RFO) for investigation and resolution. Report any email-related security incidents or breaches to the Parish Clerk immediately.

12 Training and awareness

Wereham parish council will provide regular training and resources to educate users about IT security best practices, privacy concerns, and technology updates. All employees and councillors will receive regular training on email security and best practices.

13. Compliance and consequences

Breach of this IT and Email Policy may result in the suspension of IT privileges and further consequences as deemed appropriate.

14. Policy review

This policy will be reviewed annually to ensure its relevance and effectiveness. Updates may be made to address emerging technology trends and security measures.

15. Contacts

For IT-related enquiries or assistance, users can contact the Parish Clerk

All staff and councillors are responsible for the safety and security of Wereham parish council's IT and email systems. By adhering to this IT and Email Policy, Wereham parish council aims to create a secure and efficient IT environment that supports its mission and goals.
